

## Video Available: Press Conference on Holtec's HI-STORE Consolidated Interim Storage Application Submittal

On the afternoon of Wednesday, April 5, 2017, Holtec and the Eddy-Lea Energy Alliance were joined by congressional and community leaders, in the Rayburn House Office Building of Washington, DC, to announce Holtec's site specific license application submittal of HI-STORE CIS to the NRC.

Video of the Press Conference may be viewed [here](#).

Speakers at the Press Conference in order of appearance are:

Mr. Ed Mayer, Program Director, HI-STORE, Holtec International (Press Conference Facilitator)

Dr. Kris Singh, President and CEO, Holtec International

Mr. Pierre Oneid, Senior Vice President and Chief Nuclear Officer, Holtec International

Mr. John Heaton, Chairman, Eddy-Lea Energy Alliance Board

Ms. Beverly Marshall, Senior Director, Federal Programs, Nuclear Energy Institute

Mr. Jack Edlow, President, Edlow International
