Send your resume and cover letter with position code to [careers@holtecasia.com](mailto:careers@holtecasia.com)

## Sales & Business Development Manager/Engineer

Position Code: SBDE/2019/1

Holtec Asia is seeking a Sales Manager/Engineer to manage sales activities, develop and implement sales strategies and drive growth in the Indian energy industry. The role will include direct sales/customer activities as well as the development of strategies, tactics, and company communications (i.e. proposals, presentations, brochures, etc.). In addition, the Sales Engineer will travel to represent the company at customer locations and trade shows.

### Required Qualifications

- Degree in Mechanical or Chemical Engineering with 5+ years of experience in Business Development/Sales of large capital equipment for the Power/Oil & Gas industry in India/Middle East and/or other Asian countries; Specific experience in sales of heat exchangers for power plants is preferred.
